RE: Comments to the Final Site Management Plan for FY 2010  
Marine Corp Recruit Depot  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering Section of the South Carolina Department of Health and Environmental Control (Department) has reviewed the Final Site Management Plan for FY 2010 received September 8, 2009. The Department reiterates the following statement made in the September 1, 2009 letter (Amick to Cook), "the document is incomplete and cannot be reviewed further until the response to both EPA and DHEC's (June 23, 2009, Amick to Cook) comments to the Draft Site Management Plan for FY 2010 have been received." While the most recently submitted version contains response to SCDHEC comments, it does not contain response to EPA comments. Please submit the requested material as soon as possible. The 45 day review time clock will begin once the response to comments are received in hard copy.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate  
Corrective Action Engineering Section  
Division of Waste Management
