RE: Comments to the Site 3 Fish Tissue SAP D2
Marine Corp Recruit Depot
Parris Island
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering Section of the South Carolina Department of Health and Environmental Control (Department) has reviewed the Site 3 Fish Tissue SAP D2 received November 4, 2009. As previously identified by the Department and requested from the Navy, the document is incomplete and cannot be reviewed further until the responses to all comments to the Site 3 Fish Tissue SAP D1 have been received. Please submit the requested material as soon as possible. The 45-day review time clock will begin once the responses to comments are received in hard copy.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
