RE: Request for Extension of Review Time Frame for UFP SAP for Site 27 Motor T and Fiber Optic Vault Area  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the UFP SAP for Site 27 Motor T and Fiber Optic Vault Area on June 2, 2010. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to priorities set by the Partnering team, SCDHEC will be unable to meet the 45 day review time requirement for this document and request an extension. Work can proceed at risk as discussed in the April 2010 partnering team meeting.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

Meredith Amick, P.E., Environmental Engineer  
Corrective Action Engineering Section  
Division of Waste Management
