RE: Request for Extension of Review Time Frame for Draft UFP SAP for and RI at Site 5
Marine Corp Recruit Depot (MCRD)
Parris Island
SC6 170 022 762

Dear Mr. Cook:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the Draft UFP SAP for and RI at Site 5 on September 3, 2010. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to priorities set by the Partnering team, SCDHEC will be unable to meet the 45 day review time requirement for this document and requests an extension.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

Meredith Amick, P.E., Environmental Engineer
Corrective Action Engineering Section
Division of Waste Management
