SUBJ: EPA Review of the Technical Memorandum Post-Interim Construction Risk Assessment for Site 3 – Causeway Landfill, Marine Corps Recruit Depot (MCRD), Parris Island, South Carolina - Change Pages (September 2010).

Dear Mr. Cook:

The U.S. Environmental Protection Agency (EPA) has completed its review of the Technical Memorandum Post-Interim Construction Risk Assessment for Site 3 – Causeway Landfill (Tech Memo) Change Pages submitted via Navy cover letter dated September 27, 2010 in response to conditions for approval. EPA finds that the change pages are sufficient for their intended purpose and the document may be considered approved. For further detail on EPA's conditions and position on review and approval of the document, please see EPA letter dated September 10, 2010.

This concludes EPA's review of this document. If there is any way EPA can assist in helping you to address clean-up at MCRD, please do not hesitate to call. I can be reached at (404) 562-9969.

Sincerely,

A handwritten signature in cursive script that reads "Lila Llamas".
