Hi team,

After discussion with upper management, it appears that additional comments will be sent to the fact sheet.

Stay tuned.
Meredith

Hi Everyone,

I updated the fact sheet to include the simplified websites provided by Lila in the email below. This should be the most current version of the fact sheet. Please let me know if you have additional comments. If you do not, please also let me know if you approve this version as final. The only other change planned at this point is to replace the current "No Fishing" sign photo on page 1 with a new photo to be taken of the sign on site once they are posted.

Thanks, Melissa

Hi there,

The Fact Sheet looks fine. Don't forget to put in missing picture.

Thanks,
Lila

Subject: 3d Bn Pond Fact Sheet

Partnering Team,

Attached is the 3rd Battalion Pond Fact Sheet as a pdf file and Word file. The two sentences MRCD Parris Island has edited are in blue.

MCRD Parris Island appreciates your patience regarding the revised date the Partnering Team is receiving the Fact Sheet. MCRD Parris Island is taking this issue very seriously and is giving it the time and consideration it deserves, as we know the rest of the Partnering Team is.

Is it possible for the Partnering Team to review the Fact Sheet by COB on Friday, 11 Feb 2011? If needed, the Fact Sheet can be discussed during the Tuesday, 15 Feb 2011 bi-weekly conference call.

R/
Lisa
