RE: Request for Extension of Review Time Frames for Draft SI Work Plan for Site 8  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Cook and Ms. Donohoe:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the Draft RI Report for Site 5 on May 29, 2012. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days from receipt or Navy due date (whichever is the latter) to review and provide comments or approve a primary document. Due to workload, SCDHEC will be unable to meet the 45 day review time requirement for this document and requests a 20 day extension resulting in a due date of August 6, 2012.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

A handwritten signature in black ink, appearing to read "Meredith Amick", with a horizontal line extending to the right.

Meredith Amick, P.E., Environmental Engineer  
Corrective Action Engineering Section  
Division of Waste Management
