Marine Corps Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Owens and Mr. Harrington:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (Department) participated in a June 9, 2014 conference call discussing the extension of the June 15, 2014 due date for the FY15 Site Management Plan. Based on the discussion, the Department approves the request for extension thereby resulting in a June 22, 2014 due date.

The Department reiterates the statements made in the June 13, 2014 EPA letter (Llamas to Owens and Harrington) regarding the FY15 SMP and looks forward to working with the Navy in FY15.

If you have any questions regarding this issue, please contact me at (803) 898-0368.

Sincerely,
