re: Draft Final On-Shore/Off-Shore Contaminant Fate and Transport Modeling Phase II Report  
for the Installation Restoration Program, Portsmouth Naval Shipyard, Kittery, Maine

Dear Fred:

In an August 23, 1999 letter the Maine Department of Environmental Protection indicated it had no further comments regarding the referenced document. The Department would like to clarify that despite our lack of comment to the Navy's response we still stand by our interpretation of the groundwater data as stated in our July 6, 1999 comment letter.

Please feel free to contact me at (207) 287-8010 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Iver McLeod".
