Re: Facility Background Development for the Installation Restoration Program at Portsmouth  
Naval Shipyard

Dear Fred:

The United States Environmental Protection Agency (USEPA) has reviewed the draft final version of the Facility Background Development report for the Portsmouth Naval Shipyard in Kittery, Maine.

The USEPA has determined that all responses previously provided by the Navy have been adequately incorporated into the document. The USEPA has no further comments on this document.

Should you have any questions regarding this matter, please contact me at (617)918-1387.

Sincerely,

A handwritten signature in cursive script that reads "Meghan F. Cassidy".
