Dear Linda:

Enclosed please find the Health and Safety Plan and the Data Management Plan developed at ERLN in support of the NCCOSC/ERLN Case Study of Estuarine Ecological Risk Assessment at Naval Shipyard Portsmouth. Copies of these documents also have been provided to Robert Johnston of NCCOSC and to James Tayon of Naval Shipyard Portsmouth.

These documents will be considered as drafts pending your review and final approval. Please contact me or Wayne Munns should questions arise.

Sincerely,

William G. Nelson
Project Officer
