Dear Mr. Plaisted:

The Department has completed its review of the materials submitted by Portsmouth Naval Shipyard in accordance with the Administrative Consent Agreement signed on July 28, 1993. This information appears to comply with the requirements of the Consent Agreement. However, prior to signing off on this, I would like to meet with you at the Shipyard to observe and to discuss your operations, particularly oil transfers to and from shore. The best days for me would be 14th and 21st of this month, but other dates are possible.

18th BEST

Please give me a call at 207-287 2651 to set up this meeting.

Sincerely,

Tim Wright
