The TRC meeting scheduled for February 9th has been postponed until March 14th. This will allow us time to bring the new Restoration Advisory Board (RAB) members into the process as we transition to a RAB. At that time we will also be able to present the results of the RFI Data Gap fieldwork.

If anyone has any questions, comments or corrections please contact me at (610) 595-0567 (extension 117).

Sincerely,

JAMES M. CONROY, PE
