Dear Ms. Cassidy and Ms. Beardsley:

Enclosed are the responses to the review comments provided by EPA, and MEDEP on the Onshore Feasibility Study Report. Because of the complex nature of this report, these responses had been provided earlier for your review in draft form. The enclosed responses incorporate our discussions on the earlier draft version.

These comment responses have also been sent to the members of the Restoration Advisory Board. If you have any questions on this matter please call me at (610) 595-0567 extension 117.

Sincerely,

JAMES M. CONROY, PE
