re: Navy request for time extension on the Record of Decision for Operable Unit 3 (OU3); Portsmouth Naval Shipyard, Kittery, ME, June 6, 2001

Dear Fred:

The Maine Department of Environmental Protection has received and reviewed the Navy's request for a time extension of 21 calendar days for submittal of the draft final Record of Decision from Friday, June 15, 2001 to Thursday, July 6, 2001. The purpose of the extension is to provide sufficient time to prepare responses to the significant comments received from MEDEP and SAPL on the draft Record of Decision for the OU3 Proposed Remedial Action.

The MEDEP believes this is a good reason for an extension. Therefore, we have no objections to this request.

Please feel free to contact me at (207) 287-8010 if you have any questions.

Sincerely,

Iver McLeod
