re: Navy Request for Time Extension on the PRG Report for OU4, dated September 27, 2001

Dear Fred:

The Maine Department of Environmental Protection has reviewed the Navy's request referenced above. The Navy indicated the requested time extension of 69 calendar days was necessary to provide sufficient time to prepare the draft final PRGs for OU4 after receipt of EPA's letter dated August 8, 2001 and MEDEP's email dated August 30, 2001.

Based on this reason, the Maine DEP agrees to the Navy's request for a 69 day extension.

Please feel free to contact me at (207) 287-8010 if you have any questions.

Sincerely,

Iver McLeod
Project Manager
Bureau of Remediation and Waste Management
