re: Navy Request for Time Extension for Site 10 Additional Investigation Report
Responses to Comments, Portsmouth Naval Shipyard, Kittery, ME

Dear Fred:

The Maine Department of Environmental Protection has reviewed the Navy's request for a time extension of 17 calendar days for submittal of the response to comments on the draft Site 10 Additional Investigation Report. This will result in an extension from Monday, September 23, 2002 to Tuesday, October 15, 2002. The Navy requests additional time to prepare the responses to regulator comments that were submitted to the Navy after the due date of August 8, 2002.

The MEDEP supports the extension request because this extension will allow the Navy the full 30 days to respond to regulator comments.

Please feel free to contact me at (207) 287-8010 if you have any questions.

Sincerely,

Iver McLeod
