Linda,

I wanted to confirm with you that you are still waiting to hear back from Matt Audet on the responses to his comments on the draft final PRAP before we send out the final PRAP and start the public comment period. I will wait until I hear back from you with any final changes/okay to send out the PRAP for public comment. We will need two or three days after that to place the newspaper notice and make the PRAP available.

Please call my cell phone at 412-915-3232 if you would like to discuss this or you need to contact me.

Thanks

Debbie
