CITY OF ROCHESTER NOTICE OF PUBLIC HEARING

The U.S. Department of Commerce, Economic Development Administration (EDA) is considering a request for Federal assistance from the City of Rochester to expand sewer and upgrade water infrastructure on Route 125 in Rochester, Stratford, New Hampshire. Pursuant to the National Environmental Policy Act of 1969, as amended, EDA is conducting an environmental assessment (EA) of the proposed project.

The project will be to construct 8,000 feet of municipal sewer and construct/replace 9,000 feet of expanded water capacity to service an industrial park and commercial center. The project will be located from the pump station on Salmon Falls to Route 125. Project information is available for review at the Economic Development Office, 150 Wakefield Street, Rochester, New Hampshire.

If you have any information regarding potential environmental impacts associated with this proposed project, please provide it in writing to:

Regional Environmental Officer
US Department of Commerce
Economic Development Administration
Atlanta Region
401 West Peachtree Street NW
Suite 1820
Atlanta, GA 30308-3510

Comments received in the EDA Regional Office by 5:00 pm on Friday, September 21, 2012 will be considered. A copy of the NEPA decisional document will be available upon request at the above EDA Regional Office.
