Dear Mr. Audet/Mr. McLeod:

On behalf of the U.S. Navy, Tetra Tech, Inc. is pleased to provide to the U.S. Environmental Protection Agency Region I (USEPA) and to the Maine Department of Environmental Protection (MEDEP) 2 and 3 copies, respectively, of the subject document. An electronic copy is provided with each hard copy submission. Responses to USEPA comments dated January 29, 2013 and MEDEP comments dated January 14, 2013 on the draft FS are provided in Appendix F. There were minor comments on the draft FS that were resolved during discussions among the Navy, USEPA, and MEDEP. As provided in USEPA letter dated March 6, 2013, USEPA has no further comments on the draft; therefore, the Navy is submitting the draft final document and the responses to comments together.

In accordance with the project schedule, comments are due by **April 16, 2013**.

If you have any comments or questions, or if additional information is required, please contact Ms. Elizabeth Middleton at 757.341.1985.
