re: Draft Record of Decision for Operable Unit 4, Portsmouth Naval Shipyard, Kittery, ME,
April 2013.

Dear Liz,

The Maine Department of Environmental Protection has completed its review of the subject document and has the following comment.

- 1. App. E, Table E-1, State Location-Specific ARARs and TBCs, Maine Wetland Protection Rules. MS-12 should be added to Evaluation/Action To Be Taken as all waters around the Shipyard are wetlands.

Please feel free to contact me at (207) 287-8010 if you have any questions.

Sincerely,

Iver McLeod
Project Manager
Bureau of Remediation and Waste Management
