Dear Mr. Audet and Mr. McLeod:

On behalf of the U.S. Navy, Resolution Consultants is pleased to present the following responses to the comments provided by the Maine Department of Environmental Protection (MEDEP) on July 24, 2013 on the Draft Amended Site Management Plan (SMP) for Fiscal Year 2014.

In addition, in accordance with the Federal Facilities Agreement for Portsmouth Naval Shipyard, the Navy should submit the Draft Final SMP within 30 days of receiving comments. As discussed between the Navy, the Environmental Protection Agency (EPA), and MEDEP, the submittal of the Draft Final SMP will be delayed until late September 2013 to revise the schedules such that actual dates are presented in Draft Final and Final SMP of the significant activity between June and September 2013, including Record of Decision documents and public comment periods.

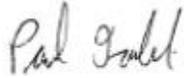

If you have any comments or questions, or if additional information is required, please contact Ms. Elizabeth Middleton at 757-341-1985.
