Subject: Final No Further Action Decision Document for Site 30
Portsmouth Naval Shipyard (PNS), Kittery, Maine

Dear Mr. Audet/Mr. McLeod:

On behalf of the U.S. Navy, Tetra Tech is pleased to provide the U.S. Environmental Protection Agency Region I (USEPA) and Maine Department of Environmental Protection (MEDEP) one copy of the subject document. An electronic copy is being provided via email. The document was finalized in February 2014 and signed by the PNS Commanding Officer on March 6, 2014. Based on finalization of the subject document, the Navy request that USEPA and MEDEP provide concurrence letters for the no further action decision.

Please note that the final document reflects that a 30-day public comment period was held from January 7 to February 5, 2014 and a notice of availability was placed in the Portsmouth Herald and in Foster's Daily Democrat on January 7, 2014. No comments were received during the public comment period; therefore, a Responsiveness Summary was not prepared.

If you have any comments or questions, or if additional information is required, please contact Ms. Linda Cole at 757.341.2011.

For the Community Restoration Advisory Board (RAB) members; if you have any comments or questions on these issues, they can be provided to the Navy at a RAB meeting, by calling the Public Affairs office at 207.438.1140 or by writing to:
