PUBLIC NOTICE

Public Comment Invited on the Interim Removal Action for Site 1 Former Disposal Pits at Allegany Ballistics Laboratory

In accordance with the requirements of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) of 1980, the U.S. Department of the Navy invites public comment on the proposed removal action at Site 1 (Operable Unit 4) at Allegany Ballistics Laboratory, Rocket Center, West Virginia. Public comment begins on **April 15, 2012** and ends on **May 25, 2012**.

The proposed action for the Site 1 Former Disposal Pits is to excavate soil, dispose of removed soils offsite, and to backfill the excavation with clean soil from offsite. This removal action is considered interim and is being performed to supplement the final selected remedy for soils at Site 1.

The public is invited to comment on the Engineering Evaluation/Cost Analysis (EE/CA) report for Site 1. The public can review the EE/CA and other selected documents for Site 1, and can obtain assistance in accessing the Administrative Record file for Allegany Ballistics Laboratory, at the following locations:

Fort Ashby Public Library

IGA Plaza, P.O. Box 74
Fort Ashby, WV 26719
(304) 298-4493

LaVale Library

815 National Highway
LaVale, MD 21502
(301) 729-0855

The EE/CA for Site 1 and other documents are also available for public inspection on the public website under the "Administrative Records" tab.
