Re: Draft Work Plan & Sampling and Analysis Plan for the  
Focused Remedial Investigation/Feasibility Study, Site 1,  
Allegany Ballistics Laboratory, WV

Dear Mr. Costello:

Recently Mr. Greg Mott, our consultant from CH2MHill, had  
forwarded to you two (2) copies of the above referenced documents  
for Allegany Ballistics Laboratory, West Virginia. We request  
that you review the Work Plan and Sampling and Analysis Plan and  
provide your comments to LANTDIV by May 27, 1994.

Our intent is to start the field work in early June. We  
anticipate the duration of the field effort to be one month.

If you have any questions or comments, please call me at  
(804) 322-4795.

Sincerely,

J. J. SZYKMAN  
Remedial Project Manager  
Installation Restoration Section  
(South)  
Environmental Programs Branch  
Environmental Quality Division  
By direction of the Commander
