Re: Draft Work Plan & Sampling and Analysis Plan for the
Focused Remedial Investigation/Feasibility Study, Site 1,
Allegany Ballistics Laboratory, WV

Dear Mr. Creter:

Recently Mr. Greg Mott, our consultant from CH2MHill, had forwarded to you one (1) copy of the above referenced documents for Allegany Ballistics Laboratory, West Virginia. We request that you review the Work Plan and Sampling and Analysis Plan and provide your comments to LANTDIV by May 27, 1994.

Our intent is to start the field work in early June. We anticipate the duration of the field effort to be one month.

If you have any questions or comments, please call me at (804) 322-4795.

Sincerely,

J. J. SZYKMAN
Remedial Project Manager
Installation Restoration Section
(South)
Environmental Programs Branch
Environmental Quality Division
By direction of the Commander
