SUBJECT: Review of draft Hydrologic Investigation Report for the
Sanitary and Storm Sewer Lines in the Vicinity of Site 10,
At Allegany Ballistics Laboratory, Rocket Center, West Virginia

Dear Mr. O'Connor:

The West Virginia Department of Environmental Protection/Division of Waste Management (WVDEP/DWM) has reviewed the draft Hydrologic Investigation Report for the Sanitary and Storm Sewer Lines in the Vicinity of Site 10, at the Allegany Ballistics Laboratory Superfund Site Rocket Center, West Virginia and has no comments.

If there are any questions or if you require further clarification, please contact me at (304) 558-2508 or E-mail: tbass@dep.state.wv.us.

Sincerely,

Thomas L. Bass
