Team -

I have reviewed the referenced document and submit the following very minor typographical VDEQ comments:

1. Section 2.4.1, third paragraph, third line - remove "to protect"
2. Section 2.4.5, second paragraph, last sentence - change "SSA)" to "(SSA)"
3. Table 2-1, Site 2 comments - submitted is misspelled
4. Table 2-1, Site 4 documentation of closure - extra space after 2004
5. Figure 2-2 - add title to figure
6. Section 3.4.2, 8<sup>th</sup> and 11<sup>th</sup> bullet - add period at the end for consistency
7. Section 4.1.2, Method section, first paragraph, second line - replace "be" with "being"
8. Section 4.2.2, Timing section, first sentence - add "RAB" after "SJCA"
9. Section 4.2.3, Objectives section, first sentence - replace "provides" with "provide"
10. Appendix A - remove my cell and fax number from this figure and change my email address to [karen.doran@deq.virginia.gov](mailto:karen.doran@deq.virginia.gov) (FYI - they officially changed our addresses but the old ones still work)

Great job on the document.

Thanks for the opportunity to comment.
