Subject: Draft SMP - VDEQ comments

Team -

I have reviewed the referenced report and submit the following VDEQ comments:

1. Section 3, first paragraph - the fourth sentence states the same information in the previous sentence, please remove
2. Section 3.1.1, SI 2010, first sentence - "Area UXO 001" is not consistent with the site's spelling in the rest of the document "Area UXO 0001"
3. Section 3.2.1, ERI/HHRA/ERA 2004-2008 AND FS 2008-2009 - neither of these descriptions includes the January 2010 revisions
4. Page 3-8, header - date is incorrect
5. Table 3-1, both "Site 4" rows, "Documentation of Closure" column - extra space between "2004" and "."
6. Table 3-2 - suggest adding N/A in the EE/CA and Removal Actions boxes for Sites 2, 4, and 21
7. Figure 3-4 - "PP/ROD Sites" above "Site 5 - Burning Grounds" should read "EE/CA and RA Sites"
8. Figure 3-5, third box down on far left - missing "days"
9. Figure 3-5, "Dispute Resolution of Draft Final" box - should this refer to Figure 3-7 instead of 3-6?

Thank you for the opportunity to comment.
