Hi Bob,

I'm not sure if you were still waiting on my review of the RTCs on the SJCA 5-Year Review, but I finally was able to get back to this and review it, and everything looks good to me. Nice job, Janna!

Thanks,  
Betsy

---

Betsy I know that you've been out this week. Just wanted you to take a look at the RTC's for the 5-year review for me. They look okay to me but I didn't want to concur until you agreed.

Thanks,

Bob

P.S. I also left the correct version of the Site 21 ROD in your office. Made changes based on your comments to the CCDS form and the transmittal memo.

Subject SJCA Five-Year Review Response to Comment

Hi team,

The responses to your comments on the Five-Year Review are attached for your consideration, along with a redlined file showing the associated changes to the text. Note that for size purposes and to focus review, I have only included tables and figures that have

changed resulting from comments; therefore, the pdf is not the complete document. Let me know if that causes confusion and if you want a complete version.

Please let us know if these changes are acceptable or if you have additional concerns. Based on the schedule we discussed during partnering, we are hoping for a 1-week turn around on these RTCs/changes, so please aim to respond by Friday April 2.

Thanks~

**Janna Staszak, P.E.**
