Team -

I've reviewed the referenced report and submit the following very minor, typographical VDEQ comments:

1. UXO 001 and 0001 are both used in this document and UXO 0001 is used in the SMP, please ensure consistency in all SJCA documents
2. Section 5.1.3, sentence below bullets - change "show" to "shows"
3. Section 6.1, second bullet - change "investigated" to "investigate"
4. Figure 6-1, figure description - change "Southern" to "Northern"

Thank you for the opportunity to comment.
