Adrienne –  
Kyle and I have reviewed the referenced responses to our comments and fact sheet. All responses are acceptable with the exception of #4 and #5. Since this is a community document VDEQ recommends spelling out RD and PP throughout the document, this makes more sense for the reader.

Additionally, VDEQ appreciates the one page fact sheet, it is very well written. Please correct one typo in the first sentence under the heading, “Environmental Restoration Program” – change “Depart of Defense” to “Department of Defense”.

Thanks,
