THE VIRGINIAN PILOT

# Public Notices

**RECORD OF DECISION FOR INSTALLATION RESTORATION SITE 2,  
Waste Disposal Area B, Environmental Protection Agency  
Designation: OU-2 Landfill B  
St. Juliens Creek Annex  
Chesapeake, Virginia**

The Department of the Navy (DoN) Installation Restoration Program announces a Record of Decision (ROD) for Site 2 at St. Juliens Creek Annex, Chesapeake, Virginia. The ROD documents the remedial action chosen for the site and the basis for selecting the action. Verbal comments received during the public meeting held during the 45-day comment period are documented in the Responsiveness Summary which is provided as part of the ROD. The Preferred Alternative is comprised of installation of a cover over the waste, soil, and inlet sediment; excavation and offsite disposal of St. Juliens Creek sediment; enhanced reductive dechlorination within target areas of shallow groundwater; monitored natural attenuation within target areas of shallow groundwater; land use controls to maintain the soil cover and prevent exposure to waste and contaminants in soil and inlet sediment; and land use controls to prevent direct exposure to and/or potable use of shallow groundwater. The Navy and the U.S. Environmental Protection Agency signed the ROD and written concurrence was provided by the Virginia Department of Environmental Quality. Final signature on the ROD was received on February 22, 2011.

Copies of the ROD and all documents that formed the basis for selection of the action are available in the Administrative Record file on the public website for St. Juliens Creek Annex, [https://portal.navfac.navy.mil/portal/page/portal/navfac/navfac\\_wv\\_pp/navfac\\_hq\\_pp/navfac\\_env\\_pp/env\\_restoration\\_installations/lant/midlant/sica](https://portal.navfac.navy.mil/portal/page/portal/navfac/navfac_wv_pp/navfac_hq_pp/navfac_env_pp/env_restoration_installations/lant/midlant/sica), or can be obtained by contacting:
