**RE: Draft Site Inspection Report
Site 7 – Old DuPont Disposal Area
Naval Weapons Station Yorktown
Cheatham Annex
Williamsburg, Virginia**

Dear Ms. Parra:

The Virginia Department of Environmental Quality (DEQ) has received the *Draft Site Inspection Report, Site 7 – Old DuPont Disposal Area* (SI Report) for Naval Weapons Station Yorktown, Cheatham Annex (CAX), Williamsburg, Virginia. The September 2011 SI Report, prepared by CH2M HILL, was received by the DEQ on September 19, 2011.

Thank you for providing the DEQ's Office of Remediation Programs the opportunity to review the above-referenced SI Report. Subsequent to DEQ's internal review and per discussions conducted during the CAX Partnering Meeting on September 14, 2011, this office concurs with the recommendation to conduct an expanded SI to include additional soil sampling, groundwater sampling, and the installation of additional groundwater monitoring wells necessary to further delineate groundwater contamination.

Please contact me at (804) 698-4125 or wade.smith@deq.virginia.gov with any additional questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Wade M. Smith'.

Wade M. Smith
Remediation Project Manager
Office of Remediation Programs
