**Subject:** RE: SMP - DEQ Comments

Wade,

The response to your edits and one comment on the FY14/15 SMP Update is attached, along w/ the revised text file. I did not red-line the attached text file, as the revisions between the draft and draft final versions of the SMP were minimal. You'll see I revised the language under the "Activities Completed 2013" sections. I also added our documents that recently went final (except for final SAPs, which we don't include in the SMP). Lastly, I updated the CAX website, b/c the URL has changed.

Please review and if the SMP is to your satisfaction please provide your official letter. Afterward, the replacement pages and CD will be shipped out to everyone.

Thanks much,

Marlene
