Re: Naval Weapons Station, Yorktown, Va.
Site Screening Areas 1, 6, 7, and 15
Review of final *Work Plan*

Dear Ms. Norton:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's final *Work Plan* for the investigation of Site Screening Areas 1, 6, 7, and 15 located at the Naval Weapons Station-Yorktown (WPNSTA) NPL facility. Based upon that review, EPA has no significant comments to offer on the final document. In accordance with the procedures outlined in the Federal Facilities Agreement (FFA) for the WPNSTA (Section 10), the Navy can now finalize the *Work Plan* for the investigation of Site Screening Areas 1, 6, 7, and 15 at the WPNSTA.

If you have any questions concerning the above, please feel free to call me at (215) 597-1110,

Sincerely,
