Re: Naval Weapons Station–Yorktown NPL site, Yorktown, Va.  
Site 28 – Building 28 X-Ray Facility Tank Drain Field  
Review of draft final *Proposed Plan*

Dear Mr. Kowalski:

The U.S. Environmental Protection Agency (EPA) has reviewed the U.S. Navy's (Navy's) May 14, 2010 response to EPA's March 10, 2010 letter pertaining to the Navy's (Navy's) draft *Proposed Plan* for Site 28, the Building 28 X-Ray Facility Tank Drain Field, located at the Naval Weapons Station-Yorktown (NWS-Yorktown) NPL site. Based upon that review, the EPA finds the Navy's response to be acceptable.

If you have any questions, please feel free to call me at (215) 814-3357,

Sincerely,

Robert Thomson, P.E., R.E.M.  
Federal Facility Remediation (3HS11)
