**Draft Final Sampling and Analysis Plan
Site 7 – Plant 3 Explosives-Contaminated Wastewater Discharge Area
Naval Weapons Station Yorktown
Yorktown, Virginia**

Dear Mr. Gravette:

The Virginia Department of Environmental Quality (DEQ) has received the *Draft Final Sampling and Analysis Plan* (Draft Final SAP) for the Plant 3 Explosives-Contaminated Wastewater Discharge Area site (Site 7) at Naval Weapons Station Yorktown (NWSY), Yorktown, Virginia. The July 2012 Draft Final SAP, prepared by CH2M HILL, was received by the DEQ (electronically) on July 26, 2012.

Thank you for providing the DEQ's Office of Remediation Programs the opportunity to review the above-referenced Draft Final SAP. Subsequent to DEQ's internal review, and per NWSY Partnering Team discussions, this office acknowledges that all previous comments have been adequately addressed and has no additional comments, and recommends preparation of the *Final Sampling and Analysis Plan* for Site 7.

Please contact me at (804) 698-4125 or wade.smith@deq.virginia.gov with any additional questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Wade M. Smith'.

Wade M. Smith
Remediation Project Manager
Office of Remediation Programs
