Subject: NWSY: Site 31 SAP - DEQ Comments

Thank you for giving the DEQ the opportunity to comment on the July 2013 Draft SAP for Site 31 at NWSY.

The Draft SAP was received by the DEQ on July 17, 2013.

Based on the scoping sessions associated with this Draft SAP, the DEQ concurs with the Sampling Design and Rationale and has one minor comment on the document:

Please revise Worksheet #13 to indicate the Final Background Study Report, May 2011.

Upon your submittal of the Draft Final SAP and/or RTCs, the DEQ will issue an official letter for your files.

Please let me know if you have any questions.

Sincerely,

Wade M. Smith
