**Re:** Replacement CDs for Final WPNSTA Yorktown Site 24 EE/CA

**We Are Sending You:**

Quantity	Description
1	Replacement CD for the Final Site 24 EE/CA

If the material received is not as listed, please notify us at once.

**Remarks:**

The PDF of the final EE/CA on the CDs was inadvertently not updated to include the final redline changes based on EPA comments. However, the reproduction PDF for the final EE/CA contained all of the changes based on Navy, EPA, and VDEQ review of the document. The reproduction PDF was used to produce the hardcopy files of the final EE/CA sent to the partnering team as well as the hardcopy files of the final EE/CA used during the public comment period. The attached CDs have been updated to include the correct version of the final EE/CA which will be included in the final Action Memorandum.
