Re: Contract N62470-89-D-4814
Navy CLEAN, District III
Contract Task Order (CTO) 0365
Pilot Study for Explosives-Contaminated Soil
Naval Weapons Station Yorktown, Yorktown, Virginia
Final Pilot Study Report

Dear Mr. Stryker:

Baker Environmental, Inc. (Baker) is pleased to submit two copies of the Final Pilot Study Report for the Explosive-Contaminated Soil from the Naval Weapons Station Yorktown (WPNSTA Yorktown), Yorktown, Virginia. Please note that one copy is the complete report and one copy is a set of replacement pages for your Draft Report. The report reflects comments received on the Draft Report submitted on May 22, 1997. No comments were received from the regulatory agencies.

The replacement pages for the Final Pilot Study Report with instructions have been distributed as follows: 5 copies to the Activity; 5 copies to the U.S. Environmental Protection Agency (USEPA); 2 copies to the Virginia Department of Environmental Quality (VDEQ); one copy to six Natural Resource Trustees; one copy to Mr. Tom Yergovich (J. R. Simplot Company); one copy to Mr. Mark Kravec (OHM Remediation Services Corporation); and one copy to Mr. Mark Hampton (USAEC). In addition, a notification has been sent to the Restoration Advisory Board (RAB) members that the Final Pilot Study Report is available in the Information Repositories.

Should you have questions concerning this deliverable, please do not hesitate to contact me (412) 269-2023 of Mr. Richard Hoff (Activity Coordinator) at (412) 269-2099.

Sincerely,

BAKER ENVIRONMENTAL, INC.
