RE: Draft Site Management Plan for Fiscal Year 2012, Naval Air Station Cecil Field,
Jacksonville, Florida.

Dear Mr. Sanford:

I have completed my review of the Draft Site Management Plan (SMP) for Fiscal Year (FY) 2012, Naval Air Station Cecil Field, dated September 2011 (received September 2, 2011), prepared and submitted by Tetra Tech NUS, Inc. The Installation Restoration Program Schedule in Appendix A and the Petroleum Program Schedule in Appendix B specify the schedules for FY 2010 through 2013. As FY 2010 is past and FY 2011 is almost done, these years do not need to be listed. Rather the Gantt charts should depict the schedule starting for FY 2012 and should extend to FY 2015. Please address this comment and EPA's comments on the Draft FY 2012 SMP and submit a Draft Final of this document.

Should you have any questions regarding this letter, please contact me at (850) 245-8997 by e-mail at david.grabka@dep.state.fl.us.

Sincerely,

A handwritten signature in blue ink that reads 'David P. Grabka'. The signature is fluid and cursive, with a long horizontal line extending to the right.
