Dear Mr. Dea:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the above referenced document which is dated 9 February 2015 and was received on February 12, 2015. This document fulfills the general requirements for site assessment as required by CERCLA, and required by the Department of Defense. This letter also stands as "notice to proceed" with the Site Investigation phase. While the TCEQ acknowledges the Navy's need to proceed under CERCLA, please submit any future reports on site investigations in the Texas Risk Reduction Program (TRRP) format. Additional information on TRRP can be found on the agency's web page.

If you have any questions concerning this letter, please call me at (210) 403-4060 or via e-mail; abigail.power@tceq.texas.gov. Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Abigail Power".
