RE: Final Five-Year Review: Operable Units 1, 2, 3 and 4, Naval Air Station Jacksonville;
Jacksonville, Florida

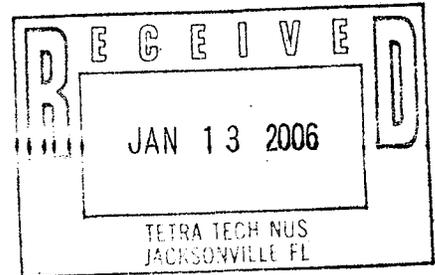

Dear Mr. McGinnis:

I have reviewed the above document dated September 2005 (received November 15, 2005). The document is well prepared and addresses the significant findings of the review in clear and straightforward manner. I especially appreciate the inclusion of the 5 Year Review Summary Form and I suggest that the Partnering Team use it as the basis for beginning our considerations of the recommendations. The document is acceptable.

Thank you for the opportunity to review this document. If you need further clarification or other information, please contact me at (850) 245-8999.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
