RE: Operable Unit Number Two Scoping Meeting
for NAS Jacksonville, NPL Site, Florida

Dear Mr. Murphy:

The U.S. Environmental Protection Agency, Region IV (EPA), has received your letter dated April 20, 1992, requesting EPA attendance for the Operable Unit Number Two (OU #2) scoping meeting, to be held at the Navy's contractors office in Portland Maine. Neither myself nor any other EPA Region IV representative will be able to attend this meeting.

It is recommended that future meetings be conducted at the NPL facility or in a city whose members are a party to the Federal Facility Agreement.

If you have any questions please call me at (404) 347-3016.

Sincerely yours,

Carl R. Froede Jr.
