RE: Groundwater Plume Delineation at Area G. NAS  
Jacksonville, Florida

Dear Mr. Robinson:

I have reviewed the above referenced report dated May 2000 (received May 23, 2000). Based upon previous NAS Jacksonville team discussions, the delineation approach appears to be adequate for its purpose. As discussed, I would like to be periodically notified of activities related to the IRA system installation at the above area as well as Hangar 1000.

If I can be of any further assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
