DO 0004, NAS KEY WEST, SWMU-1 SAMPLING RESULTS
Subject Code: 5320

Dear Mr. Patrick:

I am enclosing a map showing the results of the all of the confirmation sampling results at SWMU-1. Included are the results from the three additional samples that were collected in response to the suggestion from Martha Berry. These additional samples had very low detections and the limits of the excavation should not be extended. I am forwarding this information to Brown and Root for inclusion into the risk assessment.

If you have any questions or comments, please feel free to give me a call at (423) 220-2745 or Roy Hoekstra at (423) 220-2271.

Sincerely,

O. N. McNeil, Jr.
