RE: RFI for Boca Chica High Priority Sites Comment
Responses. Naval Air Station Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced responses dated March 31, 1997 (received April 1, 1997). As discussed during our April 24, 1997 meeting, the responses are adequate and address the Department's concerns; therefore and unless the US EPA has substantial comments that need the document be reprinted, I look forward to receiving the corrected pages before approving the document as Final.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
