RE: Basewide Ecological Risk Assessment. Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced documents dated February 2000 (received February 10, 2000). Based upon my discussions with FDEP biologists, the document is acceptable for its purpose, however and before finalizing this deliverable, I'd recommend we discuss any EPA's comments at our next team meeting.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
