RE: Treatability Study Workplan for Building 189. Key West,
Florida

Dear Mr. Glover:

I have reviewed the above referenced document dated May 2000 (received May 30, 2000). Based upon team discussions, the workplan is acceptable for its purpose. Installation of the SVE/AS system is encouraged as soon as your contracting mechanisms allow it.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
